Kirimetiyawa,  
Kumbukwewa (permanant)

105/C/4,  
Makawita,  
Ja-Ela (current)

## PROFILE

An Information Technology undergraduate student who has completed the first three years of the Sri Lanka Institute of Information Technology. Hope to get a strong start in my career in IT industry by putting that knowledge into practice and making an active contribution as a software engineer. Enthusiastic, self-motivated, reliable, responsible, productive and customer-oriented team player with strong communication.
